Business Activities, Messages and Others	Business Activities	<p>•Industrial waste disposal business</p> <p>Our company was founded over 50 years ago. We have waste incineration, dehydration and crushing facilities in Kawasaki city to respond to a wide variety of industrial waste. We are developing a wide range of business from collection and transportation to disposal from industrial waste to specially controlled industrial waste.</p>			
	Message/ Other	<p>We are conducting a survey project of advanced resource recycling utilizing IOT in in Kawasaki City. This survey project is an initiative to utilize IOT and lead the waste disposal/recycling industry in reducing carbon emissions. We would also like to make efforts to develop the industry while utilizing the infrastructure amassed in Kawasaki Eco Town as much as possible.</p>
